

Basel Itinerary day trip 13/02/18

Check in T2 opens at 5am

Flight TOM8194 departs 07.30

Firstly we will take the buses to the Stadium. The aim is to stop briefly outside the 'away' end entrances and then on to the parking place for buses after the match. This is so you will be able to get your bearings for finding the bus location after the match. We will then transfer you to the city centre/main train station area where you have the rest of the afternoon at leisure to enjoy the local hospitality. You will be able to make your way up to the stadium using the local tram service. Your match ticket allows you free travel on this service

When the game ends we need people to make their way back to the buses as soon as possible! Please do not dwell in the ground. The airport have only allowed our late departure on the basis that we make every effort to depart no later than midnight.

Our reps will also be outside the stadium after the match...they will help to direct you to the buses (approx 15 minute walk) or you can wait with them and walk together.

Note: If in doubt wait close to the away exits and eventually you will see our reps. Buses are positioned in a side road with direct access to the motorway that leads to the airport.

On arrival back at Basel airport you should be able to proceed straight through security and directly to the aircraft. Please take care of your passport and return boarding card.

The return flight is expected to back at Manchester at 01:20.
