

Bredbury & South Manchester MCFC Official Supporters Club

Membership Application Notes

Season 2017 / 2018

Membership information

Changes for 2017/18

There have been significant changes this year. The Supporters club membership system is now being aligned with the Football Club itself. What this means is that the City Supporters Number, once you have joined, or rejoined is also your Supporters Club Number.

What this means is that every member of our club, when joining/renewing this year will need to either have a season ticket, or a City Supporters number from the City Website. So for this year it is absolutely critical we get all the correct information, which agrees to your MCFC held information for every member of the club.

This information is now entered via a portal at the football club and this will allow us to purchase tickets using your number, as well as send emails.

Details as to how to obtain a Supporters number are below. It is free with no commitment to purchase tickets.

As stated above it is essential you give the completion of the form some importance this year, as we will without exception not accept incomplete or incorrect forms. If the information on the form is not in agreement with the Football Club we cannot admit you as a 2017/18 member.

Obtaining a Supporter number

Go to <https://tickets.mancity.com/register.aspx>

Enter all the required information and submit the form, you will then receive a welcome email from the football club which will include your new Supporter number, repeat the process for all members requiring a number.

Form completion

Please complete one form per household only.

All parts of the form must be completed.

All supporters included on the form must have an MCFC Supporter Number and the DOB has to be entered.

Additional email addresses for each supporter are optional.

Changes to membership categories

The committee have agreed that from this year, we will align our member categories to those of the Supporters club as a whole, a new junior adult category has been added, Juniors are now considered to be 17 and under, and OAP over 60, details of the subscriptions can be found on the form.

Family memberships

Limited to a maximum of 4, being 2 adults and 2 other categories, all must live at main supporters address. (Inclusion of young adults permitted with an additional £2.50 per supporter due).
