Membership Application Notes

Season 2018/19

Membership information

Changes for 2018

2017/18 members are welcome to renew. At the 2018 AGM a resolution was passed to limit new member applications to those that are proposed by existing members only. Therefore, unfortunately at the current time new members that are not referred by existing members will not be accepted.

Applicants who are lapsed previous members can apply.

We will be carrying out cross checks against our membership databases to ensure these new criteria is being adhered to.

Membership guidelines

Every member of our club, when joining/renewing this year will again need to either have a season ticket, or a City Supporters number from the City Website. So, for this year it is again critical we get all the correct information, which agrees to your MCFC held information for every member of the club.

This information will be re-entered via a portal at the football club and this will allow us to purchase tickets using your number, as well as send emails.

Details as to how to obtain a Supporters number are below. It is free with no commitment to purchase tickets.

As stated above it is essential you give the completion of the form the same importance this year, as we will without exception not accept incomplete or incorrect forms. If the information on the form is not in agreement with the Football Club, we cannot admit you as a 2018/19 member.

Obtaining a Supporter number

Go to [here](#)

Enter all the required information and submit the form, you will then receive a welcome email from the football club which will include your new Supporter number, repeat the process for all members requiring a number.

Form completion

Please complete one form per household only.

All parts of the form must be completed.

All supporters included on the form must have an MCFC Supporter Number and the DOB has to be entered.

Additional email addresses for each supporter are optional.

The application status must be completed to indicate if the application is a renewal, a previous member or a proposed new member. If these boxes are not completed your application will not be processed. If the application is for a proposed new member the name of the proposer must be entered. It must be a valid 2017/18 member.

This will be checked. If new family members are being added the name of the existing lead supporter should be used to confirm proposal.

Family memberships

Limited to a maximum of 4, being 2 adults and 2 other categories, all must live at main supporters address. (Inclusion of young adults permitted with an additional £2.50 per supporter due).
